21st June 2025

## English Springer Spaniel

Apologies for the lateness of this critique which was caught up in a backlog. I enjoyed the quality entry One of my favourite breeds and always a pleasure to judge, however I was disturbed by the variation in type on the day. Some too cockery, some too heavy and overdone and too many lacking temperament. There was more quality and uniformity in the bitch classes. Lovely to learn that the best puppy won the gundog puppy group and the veteran won the gundog veteran group Many thanks to my stewards Kath McIntyre and Sabrina Smith MPD 1 Elazlan Nighthawk 6 months black and white – very forward for age and doesn't need to grow anymore. Good type in head and body proportion, good rear, needs to fill out in front PD 1 Eastriding Royal Gold

Forward for his 10 months, top size but won this on chest and front action. Head needs time to finish in muzzle, good eye colour. Carried himself well 2 Chanangel Yorkshire Ale with Bethersden 10 months I like a lot about him but needs time to fill out in rib and chest which showed in his front action. should finish well. I liked his size and his head 3 Sandylands say when JD 1 Gleadbury Whataboy at Mujascal 12 months Unexaggerated springer type all through, correct size and proportions and the most collected movement in the class

2 Beresford Stand N Stare 12 months slightly taller dog who has quality but he is soft in condition and needs firming up, I liked his head type. Needs more confidence and sympathetic handling 3 Beresford Stand at Ease PGD 1 Peasebottom Brogan at Gaolachara 2yrs liver and white who needs some more coat but is a very good dog to handle with real springer head, well proportioned and good on the move. he can do well 2 Teignvally New Beginnings 20 months black and white shown in superb coat and condition. Not as forward in ribs and chest as the winner and his head needs a little more time but he is full of quality 3 More Than Amazing Wanna Be a Gangster at Spuffing LD 1 Meltarose Midshipman 5 yrs LWT excellent size, proportions and a very good head. Very good forward reach. could be a little stronger in hocks but he appealed greatly as a dog of real English Springer type. Won CC and hope his type is appreciated by others. Not flashy but full of quality 2 Beresford On My Way to Acregate 3 years old – top size of dog who is a little long for balance and can fill out in chest and ribcage. Excellent head and expression and with full maturity will look more balanced, good on the move OD Disappointing class 1 Dan, Swe Ch Trimere Time Traveller 3 years LW quality dog who could have a little more rib and substance but best

action on the move. More body would make him look more balanced RCC 2 Sh Ch Sandylands Stand N Deliver 4 years lovely type and I preferred his head and substance but a little too heavy in body today and he needs more confidence on the move 3 Carlyquinn Captain Ross at Mujascal MPB 1 Elazlan Elle for Leather 7 months LW in superb condition, needs to grow to balance her, quality head. Eyes can darken. Very good on the move PB 1 Spuffing Bellini 10 months quality bitch of correct proportions and very good movement, I like her head and expression, correct in topline, tailset and carriage. I liked her type. Best bitch puppy 2 Eastriding Royal Style 10 months quality bitch who needs to fill out in rib to balance her. She has a clean stride, feminine head. Tailset detracts on the move. Excellent presentation and has a lot of quality 3 Spuffing Daiquiri at Gaolachcara JB 1 Seigers See Eye to Eye with Trimere 17 months full of quality in head, outline, bone and excellent action and topline, very good movement 2 Dagenrys Girl on Fire at Dexbenella 13 months more feminine in head than winner, excellent movement, carrying too much weight which spoils her outline on the move. When firmed up can do well 3 Meonstoked Wild Thyme PGB Good class for depth and quality 1 Peaseblossom Aura at Felltops 3 yrs LW, lovely type and balance and a good mover, excellent Springer head and eyes, goodbone, full of quality not flashy but a real honest quality ESS 2 Teignsvalley Rags to Riches 20 months BW, excellent proportions and movement, well ribbed and with good bone which put her over the next good bitch. Feminine typey head, shown in superb condition. Scored in one to get this spot 3 Hunter Heck Carianna LB Full of good bitches 1 Elazlan

#### Coronation Day

2 years old lovely bitch of top size, excellent head and with beautiful eye and expression. scored in rib to win this class. Very good on the move, full of type and with a long swinging stride CC and BoB. It was her coronation day I gather. Congratulations 2 Trimere Taylor Maid at Pinhays Lovely bitch who is a superb mover, lacking body after a litter, very good head eye and expression, can go further when she has body 3 Spuffing Prosecco OB Full of champion quality bitches 1 Ch Mezverley Iridescent A beautiful bitch standing with very little to criticise- excellent head and expression, beautiful bone, ribbing and proportions. On the move she is scopey and accurate but not very enthusiastic today. I wish she was a little more confident in her carriage on the move Res CC 2 SH CH Trimere Time Flies Beautiful bitch just a little longer for balance and lacked a bit of body today which accentuated it. Beautiful head and eye and has great scope in her movement 3 Meltarose Madeleine at Meonstoke Another lovely bitch, I like all the exhibits show by this exhibitor today, she obviously has an eye for springer type, VB 1 IR SH CH Calvdale I Say at Fallenleaf This bitch is a beautiful mover and looked a picture going round the ring. Feminine but with the bone

and substance - she is not the biggest of bitches but is brimful of quality. Best
