

South Western English Springer Spaniel Society

19.10.26

What a friendly and welcoming Society. I was disappointed in the entry, but I did enjoy judging some top quality dogs. BIS went to a super boy, Merry's Gleadbury It Is Destiny for Anacapa, top quality l/w 3 year old. Pleasing head and expression. Well-constructed body showing a balanced outline. Superb bone, front and feet. Strong hindquarters which gave him a driving movement. Shown in A1 body and coat. Loved him. RBIS went to Cokell's Carlyquinn Winter Storm. L/w bitch who ticked all the boxes for me. She has a super head and soft expression. Superb shoulder placement, and the best of legs and feet. Moved well using her tail correctly. A top quality bitch. I liked her. Best Bitch. Best Veteran was Hydon's Ir Sh Ch Clentonian Pandemonium JW. B/w 8 year old. I just loved her head, conformation and outline. Excellent front, neck and shoulders. Moved out well, holding her topline and using a good tail action. Shown in A1 body, coat and presentation. Loved her. Other winners were Such's Junior Dog Gleadbury What A Boy at Mujascal JW. Outstanding presentation. Very mature l/w. Should have a bright future. **PGD** 1 Reynolds' Clentonian Pitch Perfect. 4 year old l/w. Excels in bone, pleasing front, legs and feet. Balanced in outline, moved well with a correct tail action. For me a little heavier in skull than I wanted. **LD** 1st and BIS Gleadbury It Is Destiny for Anacapa. 2 Williams' and Toublic's Cobhay Dashing Dandelion. Upstanding l/w dog. Excellent bone and A1 presentation. Moved well, just longer cast than winner but should have a good future. **JB** 1 Weyman's Spuffing Bellini. Nicely constructed young l/w bitch. Pleasing to handle as she has a correct front, the best of legs and feet. Well bodied, moved well. 2 Topliss' Beresford Stand On Ceremony. My disappointment of the day as she threw her chance away on the move. Most beautiful head, and her conformation was what I was looking for. Shown in good body and coat, but I couldn't assess her movement today, but a super bitch. 3 Murdoch's Dexbenella Dream Dancer. 13 month immature youngster. Has a lot of maturing to do as she is very leggy at present. Needs more ring training as she moves OK when settled. **GB** 1 Reynolds' Clentonian Picturesque. 4 year old typy l/w. I liked her head and expression. Well-boned. Presented a pleasing picture. Good topline and moved with drive. 2 Glass' Cobhay Rosa Meg. Another quality girl. Just preferred head of winner and lacking in coat. Moved well using her tail correctly. **PGB** 1 Cobhay Rosa Meg. 2 Williams' and Toublic's Cobhay Heavenly Hydrangea. Sister to winner. I liked her a lot but she needs time. A bit leggy at present. Excellent bone and conformation. Moved well. **LB** 1 Weyman's Spuffing Prosecco. Mature l/w. Pleasing to handle, super legs

and neat feet. Good outline. Moved out with drive. 2 Beresford Stand on Ceremony (2nd in Junior). **OB** 1 and RBIS Carlyquinn Winter Storm. 2 Williams' and Toublic's Cobhay Fancy Phlox. 6 year old l/w bitch. Lovely type, excels in bone. Moved very well using her tail correctly. Liked her a lot. Just slightly longer cast than winner. **VB** 1 Ir Sh Ch Clentonian Pandemonium JW. 2 Reynold's Clentonian Picture Perfect. Sister to winner and similar remarks apply. Loved her type, head, neck and shoulders. Moved well holding her topline. Just carrying too much weight for me. Thank you to all who entered and my two able stewards.
